How a Soldier can print their own Profiles on AKO My Medical Readiness

U.S. ARMY AKO ARMY KNOWLEDGE ONLINE

Printing a Profile in AKO My Medical Readiness

After a profile is signed and approved a Soldier will be able to print a copy of their profile from the My Medical Readiness page in AKO.

Please follow these steps:

1) Logon to AKO
2) Click on the “My Medical Readiness Status” on the right side of your AKO homepage
3) On the Medical Readiness page you will see the My Medical Readiness on the right side. Click on any “View Detailed Information” link.
4) A separate web page will open displaying the Soldier’s Medical Readiness. Click on the “Download My Profiles (DA 3349)” link near the bottom left hand side of the page
5) Another web page will open showing all of the approved permanent and temporary profiles on the Soldier. Click on “View PDF” for the appropriate profile.
6) Click “OK” on the dialog box that opens
7) Preview the profile on the screen and click on the Printer icon in the top left hand corner to print or save a copy by using the file menu

DoD Migrating AKO SSO Applications and Systems to CAC-Only Authentication
In order to effect maximum compliance IAW DoD policy (CTO 07-15) all applications and devices will be configured to allow authentication only via CAC/PKI credentials for CAC holders. All Army IT systems utilizing usernames and passwords for authentication to AKO must convert to CAC authentication for CAC holders. All AKO Single Sign-On (SSO) applications and systems will
Register Now to be an eCybermission Volunteer or Virtual Judge
The U.S. Army's free, Web-based science, technology, engineering and mathematics (STEM) competition for students in grades six through nine -- called eCybermission -- is seeking volunteer Ambassadors, CyberGuides, Team Advisors and Virtual Judges with a background or interest in STEM or education. You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.
By using this IS (which includes any device attached to this IS), you consent to the following conditions:
The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
At any time, the USG may inspect and seize data stored on this IS.
Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.
This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.
use of this application constitutes consent to monitoring for all lawful purposes
